Yolanda’s Story

“This is wonderful!” Yolanda exclaimed with a huge smile on her face. “I didn’t know you had all of this. I came here to get food and I was able to talk to someone about a job!” Yolanda, like many of our clients, found herself in the difficult situation of being able to pay her bills, but not having enough money left over for groceries. “It’s hard because when you are hungry, you ask yourself, ‘Who am I going to turn to?’” Thankfully, a friend referred Yolanda to Heartland Hope where she was able to get a week’s supply of groceries, clothing and hygiene items. More importantly, Yolanda connected to job resources to help her get back on her feet.
