Helping Families During the Holidays

We want to thank everyone for their support during the holiday season. We were able to provide 1,198 children with Christmas toys and served 435 holiday pantries because of the generosity of donors like you.

Tamika’s Story

After overcoming homelessness, Tamika was thankful that she did not have to worry about providing Christmas for her kids this year.

“I hope my kids see that I worked very hard and that I didn’t give up.”

“Heartland Hope Mission provided hope for us by helping us move forward during our difficult time.” - Tamika

HHM volunteers help Tamika shop for toys.

You can help families affected by the shutdown. Donate diapers, shampoo or deodorant or give online at HeartlandHopeMission.org. Thirty-three cents provides a meal, so any amount helps families in need.
