IMPACT REPORT

Heartland Hope
MISSION
More Than a Pantry

Heartland Hope Mission was born out of a church that became overwhelmed with requests for assistance. The church turned to the community for help, and in 2003, Mission for All Nations was officially incorporated. In 2011, the organization changed its name to Heartland Hope Mission. This year, Heartland Hope Mission celebrated 16 years of service to the community.

MORE THAN A PANTRY

PROGRAMS

JOB PATHS

The most requested need expressed by our clients is for **employment**, whether that be finding a job, needing a higher paying job or for supplemental income. Through our Job Paths Program, clients have access to an up-to-date jobs board and computers for online job searches and applications. We host agencies which offer clients employment resources, as well as local employers who come on site during pantry times to interview clients, provide application assistance or provide information about open positions.

At Thanksgiving, Heartland Hope Mission provides families with a turkey or ham and all the fixings for a holiday feast. At our Christmas in South O, parents can register to receive brand new toys for their children, along with wrapping paper, stocking stuffers and a holiday meal pantry.

A MESSAGE FROM OUR CEO

Pastor
Chelsea Salifou

Hello!

We are grateful to our donors and volunteers who helped serve around **45,000 people!** 2019 was a year filled with challenges and opportunities to grow and learn. While Heartland Hope Mission has always responded to crisis situations, last year was the first time that we responded to a natural disaster. With the help of dedicated community volunteers, we hosted a mobile pantry, provided ongoing services and outreach, and worked to help connect families who had lost everything in the flood to the resources they needed to get back on their feet. The strength of our community was demonstrated by our dedication to overcome adversity. In 2019, we also transitioned our monthly Bible study to every Thursday evening, which has been a great way for us to continue to bring hope to the most vulnerable in our community.

As we look forward to 2020, we want to continue to expand our ability to help our clients become self-sufficient, while being able to effectively respond to the needs in our city. We truly appreciate every person and organization who have given of their time, treasure, and talent to help make our community stronger. Thank you so very much for the impact you are making locally!

MEET YOLANDA

“This is wonderful,” Yolanda exclaimed with a huge smile on her face. “I didn’t know you had all this. I came here to get food and I was able to talk to someone about a job!”

Yolanda, like many of our clients, found herself in the difficult situation of being able to pay her bills but not having enough money left over for groceries. “It’s hard because when you are hungry, you ask yourself, ‘Who am I going to turn to?’”

Thankfully, a friend referred Yolanda to Heartland Hope Mission where she was able to get a week’s supply of groceries, as well as clothing and hygiene items. More importantly, she was able to get connected to job resources so she can get back on her feet.
